## COED SOFTBALL LEAGUE RULES

1. Teams can play with 9, 10, 11, or 12 players (5 men and 4 women, 5 women and 4 men, 5 women and 5 men, 6 men and 5 women, 6 women and 5 men or 6 women and 6 men). The extra player's in the 11 and 12 player example would be extra hitters.
2. Batters will start with a 1-ball/1-strike count. The first foul ball the batter hits after two strikes is not an out. The batter is out if they hit a second foul ball after two strikes.
3. One courtesy runner per inning will be allowed due to injury only (Pre-existing injury or injury during the game). The player of that gender who made the last out will be the courtesy runner.
4. Once during a game, a starter may re-enter a game after they've been taken out of the game. If an injury occurred during the game and a team would have to forfeit because they did not have enough players to continue, a player that was already taken out of the game can re-enter into the game to prevent the forfeit.
5. Only bats, not on the distributed ASA banned bat list, will be allowed. If a player uses an illegal bat, the player will be called out and will be ejected from the game.
6. Defensive line up: Catcher and Pitcher must be of the opposite sex. The infield is comprised of 3 men and 3 women.
7. Sliding is allowed at second base, third base and home plate. With any play occurring at home plate the catcher just has to step on home plate before the runner gets to home. All plays at home will be treated as a force play.
8. The commitment line between third base and home plate is  $\frac{3}{4}$ . Once a player goes past the  $\frac{3}{4}$  mark they cannot go back to third base.
9. Players can be added to the bottom of the batting order. The defensive team must wait till the end of an inning or half inning to add a player.
10. If there is an even number of players, the batting order must alternate males and females. In the 9 and 11 player situations the same sex will be the last batter and the first batter.
11. If a male batter "walks", that batter will advance immediately to second base. The next female batter has the option of being awarded first base, (a "walk") or taking her turn at bat.
12. During the regular season and first and second rounds of the playoffs a 12-run spread rule will be in effect. If a team is ahead by 12 or more runs after 5 complete innings, or 4 1/2 if the home team is winning, the game will be over. The Championship Series will play full seven inning games with no 12-run rule.
13. Leading off or stealing is not permitted.
14. Managers are responsible for the knowledge of these rules and are responsible for educating their players as to these rules.
