2011 BGSD Invitational Tournament Rules

- Only ASA approved bats will be allowed. ASA regulations are in effect, except where these rules conflict.
- At-bats begin with a 1-1 count. One foul is allowed after 2 strikes.
- Teams may use up to 2 non-roster players.
- Time limit: 65 minutes. No inning shall start after 65 minutes. There will be no time limit for the championship game(s), or if the run differential is less than 4 runs.
- Mercy rule: Games will end if one team is winning by 15 runs or more after 4 innings, or 10 runs after 5 innings. No mercy rule for championship game(s).
- Teams should be at their designated field at least 10 minutes before the scheduled start time. Turn in your lineups and game fees (\$29) to the scorekeeper 5 minutes before game time.
- Teams may play with 9, 10, 11 or 12 hitters in the lineup. If starting the game with 9 players, a 10th may be added to the end of the lineup at any time.
- There will be no courtesy runners.
- Metal cleats are allowed.
- Re-entry rule: All players may re-enter the game once.
- The higher seeded team is the home team in the first round. A coin flip will determine the home team in all subsequent games until the finals. In the finals, the winners bracket team gets the choice of home or away. If a second game is necessary, home team will be determined via coin flip.
- If a player is ejected from the game and his team does not have a substitute to replace him, the team will be charged an out every time the player's spot in the batting order comes up. Any player ejected from a game is subject to suspension from subsequent game(s), at the discretion of the tournament officials.
- The tournament director will be the final arbiter for any protests or rules decisions.

Ground Rules

- On Fields 1 and 2, all foul territory along the lines where the two fields are adjacent is in play. Foul balls may be caught for an out beyond the infield fences. Foul territory on the opposite side is also in play with the following exceptions: Any foul ball caught on the pavement, or a ball that hits a tree or the pavement is out of play. If a player legally catches a foul ball and carries it onto the pavement, or if his throw strikes a tree runners advance one (1) base.
- Fair balls that roll beyond or through the outfield fence runners advance two (2) bases.
- Balls rolling into the dugout or thrown/deflected over the infield fences runners advance one
 (1) base.
- There is a home run limit of four (4) home runs hit over the fence per team per game. Fair balls hit over the fence after the limit has been reached are outs.
