The Men's League will consist of two Divisions of five teams each. Each team will play each team in it's Division four times and each team in the other Division twice, for a total of twenty six games. Each team will have two double headers.

I will try to create two halves of thirteen games each, but the doubleheaders may not make it possible. Playoff structure will be finalized at a later date also.

The first two nights, April 25 & 27, will be exhibitions so we can view the many new teams and confirm the Division placement.

All Star Night and the Hall of Fame Induction Ceremony will take place on Saturday, July 7. Details will be finalized and distributed as the season progresses.
