2012 BGSD Coed Tournament Rules

1. Only ASA approved bats. Bats must have the 1.20 rating or lower.
2. Time limit is 1 hr. 5 min. (65 min). No inning is to start after this time **unless the run difference is less than 5**. Teams must be alerted by the umpire before the start of an inning that this inning may be the last due to the time limit. The scorer will keep track of the time. There will be no time limit for the Championship game.
3. An EH (Extra Hitter(s)) may be used in the lineup. A team may bat 11 or 12 players. There must always be at least as many women as there are men in the lineup. On defense there must be 2 male and 2 female outfielders. The battery must be male and female. The infield must have 2 male and 2 female players. Players must alternate in the batting order, male-female, or vice versa, whenever possible. Males will bat using the 12" ball while females will bat using the 11" ball. If a male walks, the female hitter has the option of either hitting or also walking. If the female opts to hit, the walked male only goes to first (not second).
4. **ALL** plays at the plate are **FORCE PLAYS. NO CONTACT IS TO BE MADE WITH THE CATCHER.** The "half-way-line" on the 3rd base line will be used.
5. A run rule of 10 runs is in effect. The game will be called after 5 innings if a team is leading by 10 or more runs. Also, a team leading by 15 runs after 4 innings will be declared the winner.
7. There will be no courtesy runners.
8. A team may play with 9 players (5 Female, 4 Male). A 10th male may be added during the game.
9. Teams should be at their field at least 10 minutes before the start of the game.
10. Managers should have lineups for the scorers at least 5 minutes before game time.
11. Foul language rule is in effect.
12. Hitters will start with a 1-1 count. One foul allowed after 2 strikes.
13. A team may acquire up to **4 EXTRA NON-ROSTER PLAYERS.**
14. The tournament director will be the final arbiter for any protests.
